A big thank you from the bottom of my heart, Buckhead Baptist Church, to all those who gave us their time and energy to make this event a success. We were able to provide every student and teacher with a toy. A few of Santa's elves delivered joy and cheer to the 94 students at the Boyce Astor School, all on Santa's nice list from kindergarten through 5th grade. We were greeted with cheers, grateful smiles, and even a few questions about where Santa might be stopping. Thanks to elves, Jim and Anne Broadwin, Jeff Clark, and our newest member, Carl Wijeloa who took the North Pole Express (NORTH) to give the invitations. And a special shout out to our Chief Elf, Miriam Fabian, for packing the sleigh, coordinating with Rudolf and the other reindeer, securing the phantoms from Santa and his toy makers, The Lumineers Company, and making this day a holly-jolly fun time for the children at the Boyce Astor School. What a wonderful way to give thanks to our community. I am truly proud of the impact we make as Buckhead Baptists.

**12.4.2023: Message from the President**

Thank you to Gary Shikan, CEO and President, Peach Bowl for sharing his inspiring life and leadership lessons with us this past Monday. His impact on college football and our state's economy is undeniable, as the Peach Bowl has become a major driver of business, tourism, and national visibility for Georgia. As he concludes his final year in this role, he leaves things better than he found them. A powerful reminder for us all. For anyone who was unable to attend or wanted more information on the acronyms Gary shared, they are included below.

## Buckhead Rotarians Shine on this Holiday Season!

A big thank you from the bottom of my heart. Buckhead Rotary truly shines when we pair our fundraising efforts with hands-on service. Thanks to our members' generosity, we funded 50 plushies, and with a one-for-one match from The Lumistella Company, we were able to provide every student and teacher with a toy.

A few of Santa's elves delivered joy and cheer to the 94 students at the Boyce Ansley School, all on Santa's nice list from kindergarten through 5th grade. We were greeted with cheers, grateful smiles, and even a few questions about when Santa might be stopping by.

Thanks to elves, Jim and Anne Breedlove, Jeff Clark, and our newest member, Carl Wiljelm who took the North Pole Express (MARTA) to join the festivities. And a special shout out to our Chief Elf, Miriam Falaki, for packing the sleigh, coordinating with Rudolf and the other reindeer, securing the plushies from Santa and his toy makers, The Lumistella Company, and making this day a holly-jolly fun time for the children at the Boyce Ansley School. What a wonderful way to give back to our community. I am truly proud of the impact we make as Buckhead Rotarians.
