Message from the President: Love is in the Air

Buckhead Rotary hosted a fun, educational, and creative pre-Valentine's Day event at the Boys' And Girls' Club of Buckhead. The event, which took place on February 11th, was a success! The students made toys for shelter cats and dogs and created Valentine's drawings to show their affection for individual animals. A special guest foster dog, Jolly Boy, gave students the chance to enjoy some hands-on time, and the day concluded with Valentine cookies for all. This project was made possible in part by a grant from the Rotary Foundation of Rotary International to support education.

Thank you to our fabulous volunteers: Sam Alton, Karla Arroza, our GRSP student Giai Bergamo, Anne Brinkley (in with Brian Falaki, Kathy Faust, Mody Giesler, Joe Hamadi (Shelley's husband), Beth Howell, Jenny Paulk, Maddie Pyle, Ty Tippett, Carl Wilgus and most especially Anna Shuler who made this first month with us a big coordination leading up to this event.
