

From Our District Governor **Happy Labor Day!**

By Kirk Driskell

Late in the 19th century the labor movement's effort to create safe and standard work environments created what we celebrate today. Labor Day became a federal holiday on June 28, 1894 when President Grover Cleveland signed it into law.

In the late 1800's when the Industrial Revolution was in full swing many Americans were working 12 hours a day, 7 days a week in an effort to just make enough to get by. People of all ages were in mills, mines and factories in unsafe conditions with limited sanitary facilities, no breaks and poor air condition.

For many Americans, today symbolizes the end of the summer and is celebrated with family, friends, long weekend road trips, events, family reunions and celebrations. In years past, cities and towns across our District hosted parades, barbecues, firework shows and public gatherings in their communities. Labor Day weekend is supposed to be filled with relaxation as our responsibilities are suspended for three days. As this holiday weekend draws to an end, I am sure yours may have been different like many other's.

The Rotary Foundation
**Important
Changes to
Global Grant
Funding from
The Rotary
Foundation
Effective July 1,
2020**

By Anne Glenn
Beginning this Rotary Year, your Rotary Foundation will no longer match Club Cash or cash donations from other sources when they are applied to finance Global Grant requests. In prior years, TRF matched cash contributions for a Global Grant project from money in the World Fund at a 50% rate (\$1.00 cash donation + \$.50 World Fund Contribution = \$1.50 for the project). And The Rotary Foundation matched DDF (District Designated Funds) from Rotary Districts around the world at a rate of 100% (\$1.00 DDF + \$1.00 World Fund Contribution = \$2.00 for the project). This year, beginning with applications submitted after July 1, 2020, The Foundation will continue to match all DDF funds supporting a Global Grant at 100% but not match any cash used in the funding. What does that mean to you?

GRSP Update **New GRSP District Officers and New Opportunities for GRSP**

By Ian Bond

The Georgia Rotary Student Program is alive and well in District 6900! As most of you know by now for the first time since 1946-1947 Georgia Rotarians will not welcoming international students to our state, our colleges and universities and our Clubs. Like Rotary Youth Exchange and other international programs, GRSP has cancelled the class of 2020-2021 due to the global pandemic. However, there is much work to do in the Clubs, the District and State to ensure GRSP emerges into the post-pandemic environment stronger and more vital than ever. The original mission of GRSP is needed in today's geopolitical scene more than ever before in its 74 year history: "World Peace Through Understanding" So 2020-2021 is a year to refocus, reimagine, reinvent and renew. There are some of the exciting opportunities for GRSP this year! [\[more\]](#)

LAWS of Life Essay Contest Offers Valuable Tool to Schools

By Natalie Marshall

Schools face a daunting challenge for the 2020-21 school year -- how to ensure that every student can reach their potential in the current education environment. Each passing week presents new changes and the stress that goes with them. Most schools will focus on Social-Emotional Learning (SEL) programs to help students get the year started from a positive place. The Georgia Laws of Life (GLL) Essay Contest provides high school teachers with a powerful tool to promote SEL along with writing skills.

GLL invites Rotary Clubs throughout Georgia to join the Laws of Life program. As a Contest Sponsor your Rotary Club support provides a life-changing program for educators and students which encourages students to reflect upon values like those in the Rotary Four-Way Test. Contest Sponsors may also serve as a School Partner, working directly with a school or schools in your local area. GLL invites clubs throughout Georgia to participate with or without being a school partner. [more]

Celebrating the Work We Do

By Court Dowis, Jr.

Each spring at District Conference (or for 2019-20 at a summer event in Columbus), we recognize clubs and Rotarians for their accomplishments during the year. Of course, that requires clubs to let us know what they're doing. The District presents most awards in categories - based on club size - and for the first time in 2021, we have divided ... [more]

Striving to Do Better - Living the Four-Way Test

By Susan Backofen
As we enter our 100th year, the **Rotary Club of Thomasville** is placing renewed focus on Rotary's code of honor--the Four-Way Test. To define those efforts and bring the Test to life, we gathered input from members of the executive board and from members of the club. President John Brown and his board are making the Four-Way Test part of its Code of Conduct. They also hope to weave the Test into the very fabric of our club and our individual members' lives. The intent is to strengthen our club and to encourage our members to apply the Four-Way Test to their work, family, social, and community lives. "The result will be a better club, serving our community in more meaningful ways," said President John. "I firmly believe that as our members commit more fully to living the Four-Way Test, we'll also become better people—in our businesses, our families, our friendships, our churches, and in every other way we connect to the community."

OUR UNIQUE PROGRAM

Partners in Change (PIC) is without doubt an aggressive and visionary plan to significantly affect Atlanta's biggest threat — the severe economic challenges of so many of her people.

Rather than create a new addition to the crisis service model, PIC applies coaching's proven strategies to adults in low-income situations, enabling individuals to self-empower and change the trajectory of their lives.

A Community Partnership to Engage Employers with Job Seekers

By Trummie Patrick

Every community in our nation is dealing with massive unemployment and big changes in the employment world. Many careers/jobs are no longer what they were. Unemployed workers must remake themselves for this new marketplace and develop new skills in order to survive. How do they get the coaching, resources and networking skills needed to make this happen? With surprisingly little time, the answer could be, your Rotary Club! Since 2010, the Roswell Rotary Club and Roswell United Methodist Church Job Networking have teamed up to help hundreds of job seekers with workshops, personal networking, LinkedIn headshots, spiritual support, Attire to Hire and Mini Job Fairs. Now the meetings have gone virtual, and they continue to attract hundreds. [more]

Creating Rotary Reads ... A Story of the Lake Spivey/Clayton County Book Club

By Ron Swofford

In early 2018 while searching for quietly active ways to promote interaction among members, the Public Image Committee of the Rotary Club of Lake Spivey/Clayton County encouraged interested Rotarians to think about developing a book club. Several members responded and following a low key approach, they conducted their first session on February 19, 2018 (pictured here). The participants named the book club Rotary Reads, and in the belief that not many Rotary Clubs also include book clubs, chose to call themselves "pioneers."

The basic outline of Rotary Reads is that, as a general rule beginning in February, it meets between 6:00 pm and 8:00 pm on the third Monday of every other month. During the first fifteen minutes or so of each meeting, the Pioneers discuss potential future selections with the understanding that the person who recommends a selection will be the moderator of the discussion that focuses on that book. All genres are welcome, including history, fiction, science, philosophy, biography, etc.

By LISA Thompson
In keeping with Rotary's commitment to Polio, the **Rotary Club of Meriwether County** and Starfish Ministries are serving the people of India affected by Polio and other life altering disabilities. The club celebrates this young man's new knee joint for this prosthesis - donated by our project partner FODAC and transported to India by Past President Bob Prater. The doctor who fitted this young college student was so excited by the opportunities that Rotary has provided these differently disabled patients, he has offered to sponsor a "Fitment camp" in November, where he would give about 50 prosthetic legs to individuals in need. Parts to make these 50 prosthetic legs will cost about \$100 per prosthesis. [more]

Share Your Story of Making a Difference on Facebook and in the Newsletter

By Jackie Cuthbert

Many clubs are doing great work in their communities even during the pandemic. This Rotary year, I have been visiting each club's Facebook page as part of creating the newsletter, to give clubs a spotlight for work they are doing. The photo collages that follow this article all come from that journey through Facebook. I plan to continue this but would love to have you send in the stories you are proudest to share - about service projects, fundraising ideas in a difficult time, ways your club or individual Rotarians are making a difference in the community. **Our deadline is the 25th of each month for publication in the next month's newsletter.** We love pictures - and a paragraph or two on your story (or more if there's more you'd like to tell) in a Word document or typed in the body of an email.
