Joining Together ... for Action and for Reflection

By Kirk Driskell

It's hard to believe it is April already - and but for COVID-19, we would all be gathering for District Conference in SanDestin to celebrate another year of fellowship and making a difference in our communities and the world. We will look to celebrating in SanDestin in August, but until then it's important to continue with the actions we've been involved in all year, and to reflect on our purpose and impact. That said, I'd like to focus on two important events - one calling us to action, the other to reflection.

As you have no doubt heard and can read below, on March 26, an EF4 Tornado came through the historic residential district of Newnan, Georgia - with winds reaching as high as 170 mph that caused catastrophic damage, .5 mile wide and 1.7 miles long. The storm damaged about 1800 homes - 300 of those were left uninhabitable. The city's low to moderate income residential area received major damage, as did two local schools.

Tornado Relief Request

Newnan Needs Assistance after Catastrophic Tornado

By Garnet Reynolds
At 12:10 AM on Friday morning, March 26, 2021, an EF4 Tornado came through the historic residential district of Newnan, Georgia. The tornado reached winds as high as 170 mph and the path covered seven miles, causing catastrophic damage. The **Rotary Club of Newnan** is seeking to provide assistance needed over the long journey to recover from a storm that damaged 1800 homes (300 deemed uninhabitable), left 6,500 of 10,000 Newnan Utilities customers without power (now mostly restored) and did severe damage to Atkinson Elementary and Newnan High School (picture #1). Read more about the damage and how Rotarians and their clubs can help. [more]

GRSP Update

New Direct College Selection Program

by Ian Bond, District GRSP Chair (RC of Columbus)

By Ian Bond

In the Georgia Rotary Student Program workshops our focus of discussion was sharing a whole new way of enabling Clubs to partner with their local college or university, select students and increase diversity in future GRSP classes - all in an affordable way. We call this the Direct College Selection program. Let me take a few moments to summarize and with contrast the new option with the Standard Selection program what Clubs are familiar with and remains as an option going forward). [more]

The Rotary Foundation

Patsy Wolff Becomes Arch Klumph Society Member

By Trummie Patrick

Patsy Wolff of the **Roswell Rotary Club** is one of the newest Arch Klumph Society members. Patsy and her husband Bill graciously donated $300,000 to The Rotary Foundation, in honor of Patsy's mother. A member of Roswell Rotary since September 1991, Patsy ushered in the era of women in our club. She also helped launch Honor Air in memory of her uncle and has sponsored many veterans on trips for the past ten years. In 2020, Roswell Rotary bestowed our highest honor, the Service Above Self Award to Patsy for her lifetime of involvement and support of our club.

Americus Sends Message About Ending Human Trafficking

By Angela Smith

The **Rotary Club of Americus** used the week of February 22-16 to address the issue of human trafficking and modern-day slavery through awareness and education. The club used social media daily with facts about the End It Now movement and human trafficking industry, beginning with a video interview with the global chair of the Rotary Action Group Against Slavery. We want to thank Dave McCleary for taking time out of his schedule to talk with Drew Anderson, Pastor of Sumter Chapel and point of contact for End It Now in the Sumter County community. [more]

Interact… Persevering in a Pandemic

By Michael Bixler

All over the world, Interact Clubs are helping young students age 12-18 develop leadership skills, give back to their communities, and have fun doing it. There are nearly 15,000 Interact clubs in 145 countries and more than a third of a million Interactors discovering the meaning of Service Above Self. In District 6900 alone there are more than 50 Interact clubs, and six of those are sponsored by the **Rotary Club of Thomasville.**

One club stands out for its grit and the kind of determination that characterizes budding leaders. The Christian Homeschool Association of Regional Thomasville (C.H.A.R.T.) Interact Club found ways to serve while staying safe. Teacher-advisor, Molly King, admits that “this year’s service projects have been a bit different” because of COVID-19, but she could not be prouder of club members’ creativity and enthusiasm. [more]

Americus Honors Georgia Southern Technical College GOAL Winner

By Angela Smith

In its annual show of support for South Georgia Technical College (SGTC) Georgia Occupational Award of Leadership program (GOAL), the Rotary Club of Americus presented a check to this year's winner - Dawn Ammons, a cosmetology student, who was selected from a field of 17 SGTC nominees. Ammons will serve as the college's ambassador for technical education in Georgia.

Ammons will now prepare for regional competition in April and, if chosen as a finalist, will represent South Georgia Technical College at the state level. A panel of leaders from the business, industry, and government sectors will interview nominees and choose one to be the 2021 State GOAL Winner and the recipient of the GOAL medallion. Additionally, the state winner becomes the spokesperson for technical education in Georgia for the entire year and is awarded a new car from Kia Motors. [more]
