From Our District Governor

Gratitude

By André Marria

We find ourselves at the beginning of another month and with that comes thanksgiving and gratitude for the blessings we have received. Thank you so much for all that you've done to Amplify Rotary! Thank you for your dedication, your commitment, and your determination to make a difference in the world, especially in our district!

Let us ever be mindful of those who are less fortunate than we are as we serve humanity in our Seven Areas of Focus. Let me challenge you to continue to work towards our Foundation, *Membership, and especially our commitment to our Mental Health Goals, beginning with ourselves*. We have so many reasons to do this work. Most importantly, we need to consider ourselves just as valuable. Take time during this season to reflect, reenergize and we recommit to better self-care; this will aid us in providing care to others.

I'm appreciative of ALL of our programs, specifically: Be the Voice, Interact, Laws of life, RYLA, Rotary Youth Exchange, GRSP, DEI, CART, ROTARACT, and Human Trafficking just to mention a few. WE ARE AMPLIFYING ROTARY! Your efforts to Tell Your Rotary Stories, Projects, Public Image Post and special programs you have shared with me, and Walter have been EXCEPTIONAL !!!! I may not have mentioned you in the work you have done, BELIEVE ME, IT HAS NOT GONE UNNOTICED, I praise your efforts!!!!! [more]

Cabin fever is getting to you. After a long, gloomy January and February you are still looking at probably most of March before life begins to bloom, right?

Our trip to beautiful/ tropical Honduras is from March 2-9, 2024. You can start your tan in the beautiful Honduran sunshine, meet 59 new friends, and do a lot of good in the world! And it's the 25th anniversary of the start of this work in Honduras. [more]

Laws of Life

Recognize a Teacher in the Honor Roll Giving Society

by Carol Walker, Executive Director, Georgia Laws of Life Essay Contest

By Linda Hatten

Our teachers – past and present – hold a very special place in our hearts and often have a life-long impact. No matter how old we are, or how far removed we are from our formative school years, most of us never forget the teachers who made the greatest impression on us.

Georgia Rotary Clubs Laws of Life Essay Contest (GLL) proudly dedicates our 25th Anniversary to the teachers who have shaped young minds and ignited a passion for learning. We cannot think of a better way to show our appreciation to every teacher who has devoted their life's work to education.

In keeping with this spirit, we invite you to celebrate the special teacher(s) in your life through Georgia Laws of Life's newly minted Honor Roll Giving Society. Your tax-deductible contribution of $25 or more will support our mission to transform lives by engaging Georgia high school students to reflect upon, express and affirm strong character values. It will also pay tribute to the very heroes in education who have given so much. Learn more about how you can contribute.

East Cobb Shops for 300+ Veterans

By Brenda Beshara
The Rotary Club of East Cobb recently demonstrated its commitment to community service by successfully executing a heartwarming project in collaboration with United Military Care, a non-profit organization based in Cobb County. This impactful endeavor was made possible through the generous support of a Rotary Foundation Grant and the unwavering dedication of East Cobb Rotary's members, to grow local economics and help veterans through a rebound relief program after the devastating impact of COVID-19 and the economic aftermath. In this noteworthy undertaking, the club shopped on behalf of 308 homeless veterans, ensuring that their essential needs were met. [more]

The Secret of the Jekyll Island One-Day Pass

By Stephanie Windham

Did you know that Jekyll Island is a state park? In 1950, the Jekyll Island-State Park Authority was established by the State of Georgia to govern and manage the island. The Jekyll Island Authority serves as steward of the island, overseeing all natural areas and commercial operations of the island.

When you cross the bridge onto the island you will pay a $10 entry fee. The receipt shows it's a "1 Day Pass." The truth is, as long as you remain on the island all you will pay is $10. Whether you stay one night or ten nights, you will only pay if you leave the island to visit a nearby attraction away from Jekyll and then return.

There's a lot to learn and enjoy about Jekyll Island. Read on ... and join us in March! [more]

Roswell Hosts Veteran’s Bus Trip

By Becky Nelson

Roswell Rotary honored 50 veterans, their family members and Rotarians with a day at Ft Moore (formerly known as Ft Benning). We want to ensure that our community knows that we value and appreciate our veterans and the service they provided. We left Roswell with a Georgia State Patrol and Roswell Police escort early on Friday. We had front row seating to a US Army Ranger Demonstration which was amazing, lunch at the Heritage Hall and a tour of the impactful infantry museum. American Legion Post 201 provided dinner, capping off a really special day for all who attended and fully supported this event. [more]

Alpharetta Combines Service with Recreation for GRSP Weekend

By Katheryne Fields

Georgia Rotary Student Program scholars were hosted by the **Rotary Club of Alpharetta** as they toured Alpharetta and vicinity for a packed weekend of fellowship, service and fun in early November. From Angry Steer BBQ and a bonfire on Friday night, courtesy of Rotarian Mickey Rogers, to a service project at Wills Park, team-building exercises and Laser Tag, our international college students combined service and recreation for an action-packed student weekend. GRSP appreciates our Trustee and weekend coordinator John Norton for putting on a stellar weekend and thanks the 15-plus host families for their hospitality. Students will spend the holidays with host families, guests and traveling.

Students will gather February 9-11, 2024 for the GRSP Leadership Weekend in Dunwoody. [more]

North Fulton Brings Art to the Big Creek Greenway

By Lisa Gelber

Rotary Club of North Fulton began a project to beautify the Big Creek Greenway in Alpharetta, while also sharing the importance of "Clean Water for All". Club member Richard Matherly's home overlooks the Greenway and he walks the trail often - which led him to envision the idea of bringing art to cover the large cement manhole covers along the trail.

Local high school students provided the art concepts around the "Clean Water for All" theme and were mentored by a professional muralist, Annalysa Kimball. One of the newer members of the club, Thomas Nolfa, played a key role in coordinating the necessary approvals from Fulton County Public Works, City of Alpharetta Parks Recreation & Cultural Services, as well as Alpharetta's Arts Commission.
