The Magic of Rotary

Creating Peace In Our Communities

By Gordon Owens
Typically when someone thinks of peace, they see it as an aspirational goal that may be impossible to reach. Our minds go to the major conflicts around the world and we discount our ability to impact change in those areas. However, Rotarians are creating peace in our communities every day. We recently planted a peace pole at The Extension where they take in homeless men & women, provide them with shelter, satisfy their hunger, put them on a path to recovery from addiction; giving them the skills to create a better life. These men & women first find peace within themselves. Then they go back to the family & friends they hurt along their path to addiction and make peace with them. This ripple effect of peace spreads like a wave through the community. Every time your club packs a bag with food, teaches a child to read or supports those in need with many other local service projects you are helping create peace in your community.

Disaster Relief

Help Hurricane Helene Relief Efforts

By Chris Brand

Our hearts are broken by those impacted by Hurricane Helene. As Rotarians we want to spring into action to lend a helping hand and there will be plenty of boots on the ground work to do in the coming weeks. If you are interested in being a part of our disaster relief clean up team, please **fill out this quick form** and we will keep you in the loop as opportunities to serve arise. If you are not able to physically serve, but want to support those in need across the southeast you can make a contribution to the **District Disaster Relief Fund**. These funds will go to provide support to Rotarian lead disaster relief projects and supplies in the hardest hit areas. Also, Rotary International has **disaster relief grants** available in amounts up to $25,000 to help areas impacted by the storm. Contact **Chris Brand** with any questions about helping recover from Helene.

What Is Your Club Doing For World Polio Day?

By Bob Hagan

World Polio Day is a great opportunity for your club to highlight the work Rotary and its partners are doing around the world to eradicate polio. Each year we vaccinate 400 million children and that takes money, lot's of money. Rotary has asked every club to contribute at least $1,500 USD to Polio Plus to help raise the $50,000,000 we need for the Gates Foundation match. Many of our clubs use World Polio Day as a "Fun-raiser" with events like pints for polio, poker tournaments, or corn hole championships. Rotary has great resources to help you promote World Polio Day on **EndPolio.org**. You can also submit your event to RI there or for a district award through your club scoreboard on **Rotary6900.org**.

Nominate Our 2027-28 District Governor

By Alicia Hughes

We are looking for the next person to join the governor line and serve our district during the 2027-2028 Rotary year. To be nominated, a candidate must be a member of our district in good standing who has served as club president. Once selected, the District Governor Nominee Designate will begin a two and 1/2 year journey learning the latest policies, procedures and priorities of Rotary International and The Rotary Foundation. While that may sound like a long time, it flies by as most of these are done at zone events in places like Nassau, Bahamas or at the International Convention which will be in Calgary, Canada this year. The nominee joins a class of governors and builds lasting friendships with their counterparts in Georgia, in our combined zones 33 & 34 and with all the governors around the world at International Assembly. If you are interested in serving or nominating someone from your club, your club president has all the details.

Help Us Give Away A Corvette C8

By Will Daniel
The **Rotavette Raffle** is a great opportunity to help us raise money for the Rotary Annual Fund from outside of our membership. Everyone has a friend, neighbor or family member who is a car guy, that would love a 1 in 3000 chance to win a Corvette C8. Asking "that guy" to **buy a $100 raffle ticket** is a much easier ask, than saying, "will you give $100 to our Rotary Foundation." The money we raise this year, will come back to us in 3 years in the form District Designated Funds to support community grant, competitive grant and global grant projects. The more we raise, the more impact we will have in the future. Thanks for helping us share this fun opportunity to support the Annual Fund. [more]

IRS Annual Filing Requirement

By David O'Rear

Whether your club is a subordinate under Rotary International's 501(c)(4) group exemption or is independently tax-exempt, the IRS requires that all Rotary clubs in the U.S. and its territories file an annual information return. For clubs whose tax year follows the Rotary year, the deadline to file is 15 November. The form a club must file is dependent upon its gross receipts for the year. For more information, please see Frequently asked questions about annual reporting requirements for exempt organizations at **www.irs.gov.**

Platinum Membership Award

Congratulations To Growing Clubs!

By Dave Schwickerath

Our combined Rotary Zones 33/34 has awarded 7 clubs in our district with a Platinum Membership Award for consecutive years of membership growth. East Cobb, Barnesville, Dougherty County, Cairo & Cuthbert all had 2 consecutive years of growth and we hope that trend continues into this year. We expect to see them back on the list for 3 years of growth. Alpharetta & North Cobb have had a positive growth trend for 5 years. This is an awesome accomplishment! If your club grew last year, keep it up as you are eligible for this recognition if you grow again this year. [more]

International Legacy Giving Day

How will your Rotary legacy continue?

By Lee Hollingsworth
September 13, 2024 was International Legacy Giving Day and we had several people step up to leave money to The Rotary Foundation endowment fund. Rotary has a goal to raise $2,025 billion in its endowment by the end of 2025. This will ensure the good work of Rotary goes on long after any of us are still able to serve. While you can certainly make a cash contribution to the endowment fund today, most gifts come through a commitment to a gift as part of a will or trust. Simply fill out the **legacy giving form** and email it to **lee@leehollingsworth.com**. For gifts of $25,000 or more we will be in touch to discuss the details for setting up a named fund to honor your legacy. [more]

Thomasville Expands Efforts to Reduce Food Insecurity

By David Sofferin

With the help of community partners and District 6900's Community Grant, the Rotary Club of Thomasville is preparing grow bags with yellow squash plants and other vegetable seedlings for the 225 participants who will visit the club's monthly manna drop in October.

This Rotary year marks three years since the club launched its monthly free fresh produce drops that provide fruits, vegetables, proteins, and other healthy foods to qualifying underserved households. Second Harvest of South Georgia is the club's key partner for the free produce drops and other local entities offer financial support for the effort. At each of the club's third Thursday's meetings, members pack and sort fresh vegetables and fruit at the Second Harvest warehouse for the following Saturday's market drop. At the market drop, participating households receive about 30 pounds of healthy foods—a combined total of roughly 6,750 pounds of fresh fruits, vegetables, frozen proteins, and other foods. [more]

Grab a Cold One and Energize Your Club!

By Kathryn Igou

In an exciting blend of community spirit and craft brewing, Roswell Rotary President Nancy Alterman teamed up with Roswell's own Variant Brewing Company to create a unique beverage designed to invigorate both the local community and the city's vibrant culture. This innovative partnership highlights Rotary's commitment to service and community engagement, combining their expansive outreach with Variant's reputation for high-quality, locally crafted brews. The result is an exclusive seltzer, aptly named "Energize Roswell," which promises to energize local residents and celebrate the town's dynamic essence. "Energize Roswell" is more than just a refreshing beverage; it embodies a shared vision of revitalizing and uniting the community. The brew is a lively seltzer with the vibrant flavors of hibiscus and lemonade, offering a unique twist with its floral, tangy notes. Brewed with a blend of hibiscus flowers and zesty lemonade, this refreshing concoction reflects the essence of summer and local flavor, while symbolizing a connection to Roswell's roots. For Rotary, this project is an opportunity to further their mission of fostering positive change, while Variant Brewing Company showcases their dedication to supporting local initiatives and enhancing community life. Atlanta West End Expands Community Reach

By Jared Evans

Since 1958, the Rotary Club of Atlanta West End has been committed to building strong relationships among diverse servant leaders, using our resources to create a broader collective impact in our community. So, when we heard that Atlanta Streets Alive was returning to the West End in September, we knew we had to be involved.

Atlanta Streets Alive is a free, community-driven event that transforms city streets by temporarily closing them to cars and opening them up to pedestrians, cyclists, and skaters. It's all about encouraging active transportation, fostering community connections, and supporting local businesses. [more]

Midtown Atlanta's A.B.I.D.E. Framework

Written by Araba Dowell and Kimberly Hutchens

By Araba Dowell

Through our DEI Committee, and its A.B.I.D.E framework, we are intentional about accessibility, belonging, inclusion, diversity and equity. They are not just principles but everyday practices, ensuring that all individuals feel valued, heard, and empowered to thrive.

Our effort can be seen out in the community as well. Our DEI Co-Chair Araba Dowell recently attended the GRSP Conclave in Columbus, GA in support of international student Jordan Laurent Noeuku(Cameroon), a Computer Science Major at Morehouse College.

Columbus Program Promotes Global Peace Through Mystical Arts of Tibet

By LeighAnn DiCesaris

The Rotary Club of Columbus recently held a unique program that highlighted the promotion of global peace and compassion through the ancient cultural tradition of the Mystical Arts of Tibet. River Center Board Chair Stephanie Hunter introduced the presentation. The featured program was the return of Tibetan monks to the RiverCenter, where they spent a week creating the “Mandala of the Buddha of Compassion.” This intricate sand art installation, designed to represent the universe, was constructed in the River Center lobby, drawing hundreds of visitors throughout their residency.
