DG Steve in Honduras

From Our District Governor

A Season of Growth, Service, and Connection

By Steve Ivory

As we move into April, we find ourselves in one of the most exciting and active seasons of the Rotary year. With spring in full swing, this is a time of renewed energy, continued service, and strong momentum across District 6900. As I continued to travel around the district, I had my last "official visit" with Emory Druid Hills, traveled to Honduras with Atlanta Rotarian Bob Hope and Rotarians from eight clubs, helped Roswell celebrate 75 years and $2 million in contributions to The Rotary Foundation, honored teachers and Rotarians at the DeKalb Rotary Council breakfast, attended Peach State PELS training for next year's leaders, and more! And there's so much more coming this Rotary year - read on to learn about new Rotary and Rotaract Clubs, our April 11 District Learning Assembly and District Conference at Lake Lanier. [more]

Our Rotary Foundation

Up and Over!

by Bob Hagan, District Foundation Chair

By Bob Hagan

How wonderful it is that month after month we have something to celebrate! This month it may seem oddly self-serving, but I certainly am pleased to do so for this. My home club, the **Rotary Club of Roswell**, has exceeded the $2 million mark for total giving all time. Roswell is the second club in the district to attain that level. The first to do so, very appropriately, was the **Rotary Club of Atlanta**, as they are the oldest club in Georgia. As the District Foundation Chair, my role is to help raise and track the funding coming into The Rotary Foundation; let me share some of the numbers and encourage you to keep pushing on Foundation giving to make an even bigger difference in the future. Roswell: Celebrating 75 Years of Making a Difference

By Trummie Patrick, III

"Gratitude is not only the greatest of virtues, but the parent of all the others." Cicero

There are moments in life when "thank you" doesn't feel like an adequate response. Saturday night, March 14, was one of those moments. As I stood in a room filled with more than 200+ Rotarians celebrating the 75th anniversary of the **Roswell Rotary Club**, I couldn't help but feel a deep sense of appreciation. Appreciation for the people in that room, for the generations who came before us, and for the privilege of leading this club during such a meaningful year. [more]

Thanks to a **Peachtree City Rotary** grant, we were able to fund materials for 20 beds, and we were proud to host the build at Cooper Lighting Solutions.
