President's Message

Roswell Rotary After Hours Satellite Club

Upon the approval by the board of directors, Roswell Rotary now has 13 new members with more to follow! Thanks to the hard work of many members, we have established the new satellite club. This new branch of our club will meet twice a month on Tuesdays at Gate City's Artillery Room and participate side by side with our members in many future service projects and social activities.

We had a busy week this past week hosting 60 future leaders from Roswell High School as we rekindled Leadership 20/20 after a two year postponement. These young leaders participated in various leadership activities including a disc assessment getting a better understanding of who they are and how they can better interact with others. Thank you to Jeff Bridges and Becky Nelson for a great job of organizing this event!

Both the After Hours Club and our guests at Leadership 20/20 are the future of our club and the future looks bright!

Speaker for Thursday March 24

Rena Youngblood- Exec Director Computer Museum of America

Welcome Rena Youngblood, Executive Director Computer Museum of America

In the past half century, computing has grown from a few gadgets to an almost universal extension of human life. Yet while computing has become commonplace, the history of its innovation is being lost every day, as 'old' technology is discarded, recycled or consigned to the landfill. The Computer Museum of America (CMoA), located in a suburb of Atlanta, GA, was created to preserve this history, and educate visitors on the past and future of computing, empowering the innovators of tomorrow.

Leadership 20/20

Huge Success Roswell High School Leaders Visit Rotary!

Leadership 20/20 Returned 2022!!

After COVID-required year break, Leadership 20/20 returned with 60+ Roswell High School students who had been nominated by a teacher.

The day started with Dr Shaw congratulating the students on their nomination and then a little about his pathway to leadership including his newly announced transition to Cherokee County Schools this coming July. Leadership 20/20 RHS Teacher coordinator, Katherine Knowles, then talked to the students while they loaded busses to get to Roswell Area Park for the day. They each did their DISC profile test most for the first time... and learned what kind of leader they are as well as that there are actual leadership profiles and definitions! The most important "aha" moment? They also learned what leadership styles complement their style.

Fried Chicken and Leadership Lessons

Juan and Roswell Rotary did not disappoint with an abundant lunch while we listened to Tino Mantilla, President of Turknett Leadership Group.

They returned for the afternoon to engage in some Hot Topics and the amazing story of resilience of our own Zach Fields.

Roswell Rotary plus Roswell High School = Success

The collaboration between Roswell Rotary, Roswell High School leadership and the Roswell PTSA (especially Lynn Unglo & Lee Hills) was paramount to getting this Leadership 20/20 completed.

Special Thanks

Additional Roswell Rotarians who need to be publicly thanked: Jeff Bridges, Becky Nelson, Katha Stuart and Lisa Smith, Kathy Igou, Debbie Cwalina, Michael Curling and Bob Clarkston.

Leadership Lesson Video

Video from Last Week's Meeting

Success Through Failure

One lesson we all learned from last Thursday's message for Leadership 20/20 was that everything is not always perfect. Life is full of twists and turns and it's how we handle them that makes the difference. Tino Mantella spoke to Leadership 20/20 about Success Through Failure. We can all relate to life not being a straight path!

This is the video that we missed last week. Tim Huff, Sr Consultant TLG, was in Patagonia a few weeks ago and had a great learning experience on his way to the top of the mountain. Tim is a former Army Ranger and a tough guy and had a great aha moment on this trip! Enjoy!

Roswell Relays Great Success

Roswell Rotarians Show Up & Support 25th Roswell Relay Event

Well Done Roswell Rotary Volunteers!

Another Roswell Relays in the books! Saturday, March 19th, 2022, was a great day for the 25th hosting of the Roswell Rotary Relays for the

Roswell High School Track & Field team.

The weather was Chamber of Commerce perfect while the event boasted 30 teams, hosted 3,000+ in attendance and elite competition. The Roswell Rotary Club showed up and the support was palatable.

In the words of RHS Athletic Director, Mr Ben Sutter, "Been a long day. A great day. Thanks for everything!"

Sole Fundraiser for Roswell High School Track & Field Team

The Roswell Relays is a the only fundraiser for the Roswell High School Track & Field team which, with 170+ athletes, is the largest athletic team at the school. Therefore, this one event allows the fees to stay low for participants yet continue to fund updated equipment and coaches too!

A grateful Booster Club President, Susan Dempsey, expressed her appreciation, "Thank you Roswell Rotary for your continued support even through the COVID years and shifts in policy. Yesterday's event felt almost normal. Without you, we could not support such a crowd."

RRC Showed Up & Performed!

The Roswell Rotary staffed and sponsored the Hospitality Suite which gave out 100% of all food to over 200 coaches, RRC volunteers and RHS staff. Then, when done, Shawn & Joe Mazzeo wheeled the RR grill over to help the Booster Club sponsored concession stand sell 100% of the hamburgers, hot dogs and the rest of the food! The team work and collaboration showed partnership through and including the RHS Interact Club!

Special Thanks

Thank you to Bruce Smith, Mindy Jones and Becky Nelson as they enjoy a well-earned nap today.

Sweep the Hooch

Save the Date

Saturday, March 26, 2022 from 9 am to 12 pm

Saturday March 26, 2022, 9 AM till Noon is the 12th annual Sweep the Hooch River cleanup sponsored by the Chattahoochee River Keeper. Roswell Rotary Club has participated every year, cleaning up the trails, river, and river back along Roswell Road from Don White Park to Eaves Road. This is the area of the river that we have adopted through the Georgia Adopt a Stream Program. We need walkers, waders, and floaters (kayak, canoe, or raft), for this very worthwhile cause. This is also an excellent family event and always a great time for all! Check out the geese, heron, waterdogs and hawks and other various wildlife along the river!!

If you can make it, email Dutch Earle, hearle@esisearch.com and let him know if you are a walker, wader or floater. He will be back in touch with more of the logistics details. If you have any questions call Dutch at 770.403.0755.

It was super fun last year! [Check out this short clip](#) of President Terry Taylor and Roswell Rotarian Joe Mazzeo in action!

Business Networking Rotary-Style continues on Tue, Apr 19th from 6:30 - 8:00pm

Smarter Business Development because it's with Fellow Rotarians (Multi-Club Event)

This is an opportunity for you or someone on your staff, or someone you are interested in recruiting to Roswell Rotary.

Our last gathering again drew a crowd from the Atlanta Metro, Dunwoody, Peachtree City, Roswell, Sandy Springs and Tucker clubs. While it had similarities to other networking events, you knew that attendees honored the integrity of the 4 Way Test!

This is why Paul Harris formed Rotary for 1905. Professionals with diverse

backgrounds could exchange ideas, form meaningful, lifelong friendships, and conduct business together. Paul Harris was networking well before the term "networking" was used to describe connecting people in order to build a business network.

While Rotary is about "Service Above Self," there is a growing place for networking in Rotary, particularly for those responsible for generating revenue.

Location:

Pure Taqueria Brookhaven Location: 3589 Durden Dr NE, Atlanta, GA 30319 (770) 452-7873

Please plan to join us on Tue, Apr 19th from 6:30 - 8:00pm.

For more information, please contact Hal Schlenger

HSchlenger@GreatSouthBenefits.com | (770-335-0077), or Johnathan Clark of the Tucker Club (johnathanmclark@gmail.com | 404.512.6058).

Bringing Water to Remote Panama

[Click Here for Video](#)

What an Adventure! And What a Testament to What Rotarians Can do!

You heard President Terry and Lee Hollingsworth last week as they talked about the experience of traveling miles downriver to a very remote village in Panama. The story of how welcoming the people were when Rotarians arrived was impactful. How important clean water is to the health and life of the children in these remote areas who cannot easily receive medical treatment when they are ill. It was amazing to hear how much cheaper rotary can supply clean water than the government contractors.

Please take a moment to view the video of the trip to see more about this service above self mission.
